

JOB VACANCY

MULTI MEDIA DESIGNER

(Job Reference No: GMD0337)

Gordon Murray Design is a world-leading automotive design company, we have gained a global reputation as a pioneer of lightweight and efficient vehicles, taking a highly innovative approach to all aspects of vehicle design, development and production. We currently have an exciting opportunity for a Multi Media Designer to join our Design, Development and Engineering Centre based in Shalford, Surrey.

Job Function:

You will work as part of the Creative Team and report to the Graphic Design Manager. Your primary responsibility will be to ensure that the requirements of the business are met from a Multi-Media perspective by providing a high-quality service through attention to detail, a disciplined and methodical approach and close liaison with colleagues.

Principal Accountabilities:

The principal accountability will be to work as part of the Creative Team and to produce Multi-Media content, for corporate and marketing use, often within tight deadlines, that supports the needs of a rapidly expanding business and takes it to the next level of creative excellence. This will involve utilising group branding, illustration, on and off-site filming with suppliers and or customers, collating material from suppliers, working across film and television where appropriate.
